

SCHOOL NEWS

19th May 2017

Dear Parents,

I'd like to start this newsletter with some welcomes. First to Karen Olliver, who many of you will know as Joshua's mum. Karen has joined the Governing Body as a foundation governor and we are really looking forward to working with her. Please read her profile in this newsletter. We have welcomed three new children to St Michael's over the past few weeks: Cristo in Reception and Shutaro and Renee in Year 2. We hope they will all be very happy in our school. We are also hosting four student teachers: Miss Code in Reception, Mr Weekes in Year 1, Miss Martin in Year 4 and Miss Freeman in Year 6.

Over the last two weeks, Year 6 have finished their SATs tests and Year 2 are midway through theirs. Both classes have been exemplary in their approach and all the children should be very proud of themselves. Year 6 celebrated the end with a pic-nic in South Park. All the children are busy practising their dances for next Thursday, when we look forward to welcoming you into school. Please come and view the children's works of art at our open afternoon for Oxford ArtWeeks, next Tuesday afternoon from 1:30.

This evening the PTA will be welcoming the children back to school to dance the night away at the discos. As always, thank you to them for all that they do in support of our children.

Best wishes,
Rosalind Owen

Meet our new Governor - Karen Olliver

I am delighted to have joined the governing body here at St Michael's. Being a teacher, I am hugely interested in the welfare of every child both in and out of the classroom. As a St Michael's parent, (my son Joshua is currently in Year 3) I am in awe of what the staff of the school achieves each and every day of the school year for each and every pupil in its care. I feel that my wealth of experience, both academically and pastorally, in a variety of schools ranging from The King's School, Canterbury, a very privileged educational setting in the garden of England to Folkestone Academy, a very demanding state-funded academy in East Kent has prepared me well for such a role. In 2012, I moved to Headington Girls' School where I teach Spanish and am an Assistant Head, in charge of the boarding community. This summer, my family and I will move to live in Ascot where I have been appointed as Deputy Head Pastoral in an independent co-educational school. Despite this move, I intend to continue as a governor at St. Michael's and I look forward to working with Mrs Owen and her team in the forthcoming months and years.

Maypole Dancing

All are invited to come and watch the children celebrate May around the maypole on Thursday 25 May. Every class is preparing a dance and we will be graced with the presence of the May Queen and May King. Celebrations will commence at 1:30pm on the playground. Refreshments will be served once the dancing has finished. Please come along and enjoy the afternoon with us. The children will be dancing in the following order: Year 4, Year 1, Year 3, Reception, Year 5, Year 2, Year 6.

Children are encouraged to wear colourful clothes for the afternoon, but with suitable footwear for dancing. Children should come into school in school uniform and then change into their dancing clothes after lunch.

Whole School Trip

St Michaels traditionally holds a whole school trip at the end of the school year. All the children, from Reception to Year 6, travel to the same venue for the day to enjoy a common experience and to learn together.

This year we have booked to go to the National Space Centre on 12 July. spacecentre.co.uk School will subsidise the price of the trip to reduce the cost.

Since the trip was arranged, Mrs Owen has spoken to some parents about the concerns they have about the trip. As a result, the children and staff were asked about their feelings, which were largely positive, including those children who said it gave them the chance to visit somewhere they would never otherwise be able to see.

For next year we will look again at the best way of providing this sort of whole school experience for the children and will be asking for all members of our school community to contribute their ideas. Please look out for the ParentMail about this year's trip. Meanwhile, if you have any questions or comments please speak to Mrs Owen.

Values

Every September the children contribute to choosing the monthly values for our new school year. You will probably be familiar with them from the displays around school and the newsletter. This year our values have included: courage, generosity, hope, honesty, kindness, forgiveness, joy, love and determination. Over the years we have focused on many other values in our acts of collective worship and in what we say and do around school.

We would like to establish a core set of values that really represent St Michael's and this week each class has been choosing the values that they think are the most important. Love is currently in the lead! Next week we will be asking parents about their view on our school's core values and we are looking forward to all your contributions.
