Design and Technology

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2	
Reception	Children learn to hold pencils effectively and use range of small tools including scissors and paint brushes to create in 2D and 3D and begin to show accuracy and care when drawing. Children learn to safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Children take inspiration from the world around them, both natural and man-made, to make their own 2D and 3D creations, working alone and collaboratively. Children share their creations, explaining the process they have used.
